### Augustines Laws

Augustine's laws. From Wikipedia, the free encyclopedia. Jump to navigation Jump to search. Augustine's laws were a series of tongue in cheek aphorisms put forth by Norman Ralph Augustine, an American aerospace businessman who served as Under Secretary of the Army from 1975 to 1977. In 1984 he published his laws.

### Augustine's laws - Wikipedia

A classic read for anyone in the defense contracting business, IT, or government work or procurement. Funny at times, sad at other times, and always very interesting. Very readable, plenty of data to support Augustine's Laws and conclusions.

Another example of one of "Augustine's Laws" is Law Number XI, "If the Earth could be made to rotate twice as fast, managers would get twice as much done. If the Earth could be made to rotate 20 times as fast, everyone else would get twice as much done since all the managers would fly off".

### Augustine's Laws: Augustine, Norman R.: 9781563472398 ...

Augustine's Laws by Norman Augustine. Summary. There have been some many superb books published in recent years dealing with successful business undertakings. This book, however, takes a contrapuntal viewpoint and adopts the perspective of learning from a business gone awry. It is much as is the practice at medical conventions - where it is generally considered that a great deal can be learned by not focusing on healthy people.

His other awards are numerous, including the National Medal of Technology and the National Air and Space Museum Trophy for Lifetime Achievement. Augustine has authored several books, most notably The Defense Revolution and Augustine's Laws, a tongue-in-cheek but resonating collection of business management rules.

### Augustine's Laws | National Air and Space Museum

The Rule, developed by Augustine of Hippo (354-430), governs chastity, poverty, obedience, detachment from the world, the apportionment of labour, the inferiors, fraternal charity, prayer in common, fasting and abstinence proportionate to the strength of the individual, care of the sick, silence and reading during meals.

### Rule of Saint Augustine - Wikipedia

Ever read Augustine's Laws? In the book, Norm Augustine codifies the rules of defense contracting. And gets you thinking as Schlosberg says.

### My Favorite 10 Augustine Laws of Defense Contracting | by ...

All of the laws have been assembled in a book he wrote entitled Augustine's Laws. "There are a large number of factors that make a company good or not good at innovation. One does have to take risks that have been carefully considered if one hopes to produce change, which is what innovation is about."

### Lessons from Norman Augustine About Innovation and his ...

Augustine's adaptation of classical thought to Christian teaching created a theological system of great power and lasting influence. His numerous written works, the most important of which are Confessions (c. 400) and The City of God (c. 413-426), shaped the practice of biblical exegesis and helped lay the foundation for much of medieval ...
