oblivious to the world. While With advancement in technology we are slowly doing away with the need of a paperback and entering the world of eBooks. Yes, many may argue on the tradition of reading books made of paper, the real feel of it or the unusual smell of the books that make us nostalgic, but the fact is that with the evolution of eBooks we are also saving some trees.

The Graduate Survival Guide - Hardcover Book - Dave Ramsey

For most, college is the next step, and the future is bright. That's the good news. The bad news is that too many students step on to a college campus without a clue about how to handle money. Moving away to college is the first time that many students will experience living on their own.

How to Survive College | DaveRamsey.com

Public two-year college for in-district students: 3,660; Public four-year college for in-state students: \$10,230; Public four-year college for out-of-state students: \$26,290; Private four-year college: \$35,830 ; No matter which college route you choose, it's expensive. This Dave Ramsey book dovetails nicely onto that one with more of the nuts and bolts of how to manage money. The third book I purchased is 20 Retirement Decisions You Need to Make Right Now by Ray LeVitre which I think excellent but is best utilized after you have already acquired some financial knowledge.
