### Eat Go Branding Takeaways Restaurants

Branding of takeaway restaurants is different from that of classic sit-in restaurants, and revolves round a distinct set of issues. To get the customer's attention it needs to be extraordinary, but it should not be too eccentric, since often the customer will eat their food directly out of this packaging. Humans are emotional creatures.

Tacombi started off as a converted Volkswagen bus that sold tacos on the beaches of Yucatan. That same bus now sits in their super cool Nolita restaurant. This is the place to celebrate #tacotuesday and transforms into the coolest spot for Happy Hour drinks. They carry their own brand of salsas, homemade sodas, and pressed juices and go above and beyond to source their food locally and ethically.

### **The 10 Coolest Places to Eat in New York City**

People love a discount. But, being the restaurant that always offers discounts isn't a great way to promote your brand. Restaurants that offer discounts all the time attract bargain hunters, and these customers aren't going to be loyal to your restaurant. They are going to eat at the next restaurant that gives them a coupon.

Xian Famous Foods is one of the best restaurants in NYC if you're on a budget in the big city with a hankering for Chinese noodles. They've got an entire menu to choose from with several different options, but the most popular menu item is undoubtedly the spicy cumin lamb hand-ripped noodles. This dish is going to satisfy your noodle craving and has the perfect kick (but not too much).
