Amazon.com: fountas and pinnell guided reading

For Fountas and Pinnell, the answer lies in guided reading, which allows children to develop as individual readers within the context of a small group. Their new book is the richest, most comprehensive guided reading resource available today and the first systematic offering of instructional support for guided reading adherents.

Amazon.com: Guided Reading: Good First Teaching for All ...

Guided Reading Guided reading is a term that is defined and implemented in so many different ways! In my mind, the key purpose of guided reading should be to accelerate all students' reading achievement and increase the levels of texts students can read with deep comprehension (the opposite of providing remedial instruction). Guided reading is another component or structure in our upper ...
