Training Yes, a license is required to fly our gyroplanes! An existing pilot with a minimum of a sport pilot rating may operate a gyroplane after obtaining a gyroplane endorsement on their existing pilot license. This will require training with a gyroplane CFI who will then give an endorsement that indicates that you have met the requirement.

### Training - AutoGyro USA

Some facts about current gyroplane accidents are that most accidents after the test flight program are in two general areas. The pilot not flying the aircraft within limitations or otherwise written as not in accordance with the flight manual. The second leading cause is lack of adequate flight training on the pilot's part.

### Gyroplane Flight Training
