High Society (Cerebus, #2) by Dave Sim

I started reading "Cerebus" when Dave Sim's independent black & white comic book was on the cusp of the "High Society" story line. "Cerebus, Book 2: High Society" (issues #226-50) constitutes the first "novel" in the history of the book and the point at which Sim had clearly moved beyond the idea of Cerebus the Barbarian stage, where it was basically a strange animal walking around in a world that was drawn in the style of Barry Windsor-Smith.
