Jane's Battleships of the 20th Century. The greatest arms race in history began in the first years of the 20th century as World Powers expanded their fleets. Germany challenged the Royal Navy's global dominance, the U.S. and Japan established themselves as major naval powers.

Jane's Battleships of the 20th Century by Bernard Ireland

Jane's Fighting Ships is an annual reference book of information on all the world's warships arranged by nation, including information on ships' names, dimensions, armaments, silhouettes and photographs, etc. Each edition describes and illustrates warships of different national naval and paramilitary forces, providing data on their characteristics. The first issue was illustrated with Jane's own ink sketches--photos began to appear with the third volume in 1900. The present title was adopted in

Jane's Fighting Ships - Wikipedia

And the author gives pretty short shrift to a series of very important American battleships from the late teens and early 1920's that shaped the Japanese response to America's naval strategic doctrine -- the author just sort of compresses these ships onto one page, which is a real pity.
