Nissan Altima Service Engine Soon

Meaning of the Service Engine Soon Light. The service engine soon light is often mistaken for the check engine light. The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure. Your Service Engine Soon Light Should Not Cause You to Panic

SOLVED: Service Engine Soon.what this mean! - 2002-2006 ...

The "service engine soon" light indicates that the vehicle's on-board diagnostic computer has detected a problem with one of the car's systems. The computer processes input on system operating parameters while the car is active and illuminates the light if they fall outside of acceptable ranges. When the light is on, the computer contains a trouble code that states which system is malfunctioning, which can be read by a handheld reader that plugs into the dashboard.

What Does the Nissan "service Engine Soon" Light Indicate?

The difference is the service engine light is on. On Nissan Altima we have the usual maintenance required light or check engine light. However this says service engine soon,which is entirely different. I have never seen the light like this I wish I knew what it meant. Going to run diagnosis tomorrow.
