information on free computer books, online books, eBooks and sample chapters of Computer Science, Marketing, Math, Information Technology, Science, Business, Physics and Internet. These books are provided by authors and publishers. It is a simple website with a well-arranged layout and tons of categories to choose from.

Study Guide Reviews

This study guide is more for those who have studied all they can, and are looking for some test-taking tips and a good mock exam. If you are looking for a thorough review of coding, then the official CPC study guide from AAPC may be a better fit. The practice exam in this booklet was really good. I made a 77 on it.

I added this study guide on my kindle a month ago in preparation to taking a State Trooper exam. I read thru the book a few times taking the practice tests along the way and as I got closer to testing date I took the practice twice. Practicing helped me finish more questions in the 12 minute time limit and I passed my exam.
